PROFILE

Alfred is a seasoned finance professional with over 15 years of experience, dedicated to driving financial growth and fostering community empowerment. He has developed extensive expertise in financial strategy, corporate governance, and operational efficiency. Holding a Bachelor of Accountancy from the University of Malawi, Alfred is also a member of both the Association of Certified Chartered Accountants (ACCA) and the Institute of Chartered Accountants in Malawi (CA).

Alfred envisions a transformative role in the financial sector, his leadership experience in banking and FMCG industries has prepared him to create innovative solutions that meet the evolving needs of clients, particularly in underserved communities.

Key Attributes:

- **Strategic Visionary:** Alfred is known for crafting strategic frameworks that enhance profitability and improve customer engagement, ensuring agility and responsiveness in a dynamic financial landscape.
- **Innovative Leadership:** With a passion for exploring new ideas, Alfred seeks to embed innovation within the business model, fostering resilience and sustainable growth.
- **Community-Focused:** Committed to financial inclusion, Alfred's vision emphasizes empowering individuals and small businesses by providing accessible financial services.
- **Collaborative Approach:** He values teamwork and inclusivity, ensuring that both clients and team members have a voice in decision-making processes, fostering a culture of trust and mutual respect.

Business Philosophy: Operate businesses built on the pillars of integrity, reliability, and innovation. He is committed to delivering financial solutions that are ethical and transparent, with a mission to promote economic growth and stability by bridging the gap between financial services and those most in need.

Leadership and Expertise: Alfred's leadership record includes significant achievements, such as transforming Pinnacle Financial Services' financial standing as Chief Financial Officer. His efforts in capital raising and strategic financial planning were pivotal in driving the company towards profitability. His tenure at TNM Ltd and Unilever Malawi showcases his capability in financial analysis, forecasting, and driving business growth.

His expertise in strategic planning, change management, and corporate governance is complemented by technical proficiency in financial systems. Alfred's accolades, including the Unilever Oscar Award, underscore his ability to lead and innovate effectively.

Vision for the Future: His dream is to be part of a Microfinance Institution that aim to extend its reach by harnessing technology to offer seamless and accessible financial services. His vision includes establishing a robust microfinance ecosystem that supports sustainable development, helping clients achieve financial independence and long-term success.
